

SPECIAL EDITION

Jaguar's 2016 Special Edition features a Soprod automatic movement and elegant details.

Jaguar timepieces, founded in 1938 in Switzerland, has been owned by the Festina Group since 1989. The brand, which is known for its quality and Swiss-made precision, is introducing the new Automatic Special Edition 2016. The automatic movement, made by prestigious Swiss movement company Soprod, a company of the Festina Group, with central 3 hands indicating hours, minutes and seconds. A special feature is the exposed balance wheel, which can be seen at 6 O'clock through the open heart dial. The 25-jewels movement oscillates at 28,800 Vph (4 Hz) and has a power reserve of 42 hours.

The watch will be available in three versions: blue PVD stainless case with a rose gold PVD bezel (J812); black PVD stainless steel case and bezel (J813); rose gold PVD stainless steel case with a black PVD bezel (J814). All three are 45mm in diameter, and are fitted with shaped rubber straps, and have decorative screws on the bezel.
